<p><u>Activity</u> to implement during the next year –</p> <ul style="list-style-type: none"> -Create routine data reports using linked data systems, Newborn blood spot/hearing/birth certificate -Create additional data links to Part C, WIC, TennCare -Use links to WIC/ TennCare to identify new address, Primary Care Provider, phone #, CSS (title V) <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u></p> <ul style="list-style-type: none"> -Improve data collection and reporting -Reduce loss to follow up 	<ul style="list-style-type: none"> -EHDI data team -Jacque cundall -Jamie Kilpatrick -Linda Hartberger 	<p>May 2009</p> <p>May 2009</p> <p>May 2009</p> <p>May 2009</p>	<p>Sept 2009</p> <p>Jan 2010</p> <p>Sept 2009</p>	<p><u>Obstacles:</u></p> <p><u>Resources:</u></p>

<p>Activity to implement during the next year – -Investigate use of blood spots for CMV testing on infants/toddlers diagnosed with hearing loss.</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> -Improve data dissemination</p>	<p>-Jacque Cundall, coordinator -Anne Marie Tharpe, Aud. Professor Vanderbilt -C. Wallace, State lab -Cris, State Lab</p>	<p>Apr 2009</p>	<p>Nov 2009</p>	<p><u>Obstacles:</u> -Integrity of bloodspot -Length bloodspot retained by lab <u>Resources:</u></p>
<p>Activity to implement during the next year – -Investigate use of new HIT funds for electronic reporting of hearing follow-up results to Primary Care Providers – simple to use format.</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> -Decrease loss to follow-up</p>	<p>-Dr. M. Gaylord, chapter champion -Lindsey Rentmeester, aud/grad student. -Jacque Cundall, EHDI coordinator -Data team</p>	<p>June 2009</p>	<p>August 2009</p>	<p><u>Obstacles:</u> -New HIT funds reserved for other programs vs child health <u>Resources:</u> -President Obama's support of electronic health records</p>
<p>Activity to implement during the next year – -Provide PCP and Audiologist with hearing follow-up per hearing center or medical group.</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> -Increase reporting/Decrease lost to follow-up</p>				<p><u>Obstacles:</u></p> <p><u>Resources:</u></p>
<p>Activity to implement during the next year – -Create list of Primary Care Providers in state that can perform re-screens in their office. -Send screening/ follow-up procedures to Primary Care Provider offices.</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> -Reduce loss to follow-up -Increase access to hearing follow-up</p>	<p>-J. Beeler -J. Cundall -TN AAP -TN Family Practice</p>	<p>Feb 2009 (begun)</p>	<p>June 2009</p>	<p><u>Obstacles:</u> -Responsiveness from Primary Care Provider office when called upon (callbacks) <u>Resources:</u> -Directory of TN Primary Care Providers -Phone #'s as reported on Newborn Hearing Screening referral forms</p>

<p>Activity to implement during the next year – -Create list of hospitals in state that offer re-screens in house & obtain type (by manufacturer) of screening equipment used, & age of equipment.</p> <p><u>Linked to the Goal/Objective of your EDHI Program’s plan –</u> -Reduce loss to follow-up -Increase access to hearing follow-up</p>	<p>-J. Beeler -J. Cundall -Hospital Hearing contacts</p>	<p>Jan 2009 (begun)</p>	<p>June 2009</p>	<p><u>Obstacles:</u> -Responsiveness from hospital Newborn Hearing Screening staff <u>Resources:</u> -Existing contact list at TN birthing hospitals.</p>
<p>Activity to implement during the next year – -Distribute CDC Public Service Announcements to Hispanic radio stations across the state.</p> <p><u>Linked to the Goal/Objective of your EDHI Program’s plan –</u> -Increase awareness of EHDI in non-English communities -Decrease loss to follow-up due to language barrier</p>	<p>-J. Beeler</p>	<p>Apr 2009</p>	<p>Dec 2009</p>	<p><u>Obstacles:</u> -Motivation of radio stations to promote issues relating to hearing loss in children <u>Resources:</u> -“starter” contact list provided by CDC of Hispanic stations across state</p>
<p>Activity to implement during the next year – -Advertise Hearing Aid loaner bank to pediatric audiologists across state using: letter, FOT loaner bank magnet, updated instructions for accessing bank</p> <p><u>Linked to the Goal/Objective of your EDHI Program’s plan –</u></p>	<p>-J. Beeler -FOT staff</p>	<p>Apr 2009</p>	<p>June 2009</p>	<p><u>Obstacles:</u> none <u>Resources:</u> -Current audiology pediatric provider directory</p>

<p><u>Activity</u> to implement during the next year – All relevant data items in the Neometrics Newborn Screening database need to be identified & linked with individual birth certificate records and other relevant data systems, creating the EHDI TSI Integrated Data System</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> Increase rate of initial screen</p>	<p>-Dr David Law -Dr Yinmei Li- Epi -Dr Fanyan Xiao- Epi</p>	<p>Sept 2008</p>	<p>Ongoing</p>	<p><u>Obstacles:</u> Delay in obtaining staff due to state financial restrictions <u>Resources:</u> -2 epidemiologists experienced with state birth records -program director experienced with birth certificate (electronic & birth defects program)</p>
<p><u>Activity</u> to implement during the next year – Standard individual level and aggregated reports need to be developed and generated for missed screens, diagnoses, identified risk factors, follow up and lost to follow up</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> Reduce loss to follow up</p>	<p>-Dr Law -Dr Li -Dr Xiao</p>	<p>Apr 2009</p>	<p>Ongoing</p>	<p><u>Obstacles:</u> Current reports per Neometrics Crystal Report <u>Resources:</u> Need to update current reports and create new reports to better track follow up</p>
<p><u>Activity</u> to implement during the next year – Additional follow up data collected and added to the data system</p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u> Reduce loss to follow up</p>	<p>-Public Health Nurse Consultants: Fran Myatl Joyce Sigimore</p>			<p><u>Obstacles:</u> Currently no direct link to Neometric database; must send by zip file <u>Resources:</u> Nurses have worked with birth defects & have experience working with hospitals and medical providers</p>

WHAT are we going to do? (GOAL, Activity)	Who is responsible? (and helpers)	WHEN will it happen?		What OBSTACLES and RESOURCE exist?
		Begin	Finish	
<p><u>Activity to implement during the next year –</u> -Establish a collaborative Statewide EHDI campaign & related initiatives for professionals and families <i>-Share information with private agencies</i> <i>-Create open websites</i> <i>-Create distribution list for updates</i> <i>-Create downloadables</i></p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u></p>	<p>-Department of State Health Services -Leadership council</p>			<p>-AI resource contact -Creation of a blog -AI network -Local EHDI -Parent login -Professional login -Links to medical services -Create directory with email -Links to disability resources (i.e. DARS)</p>
<p><u>Activity to implement during the next year –</u> -Develop a formal parent support model specific to families with deaf and hard of hearing children that includes a component with targeted outreach efforts designed to encourage and facilitate follow-up screening and enrollment in early intervention (ECI/AI) services. <i>-Develop screening checklist at prenatal visit</i></p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u></p>	<p>Hands & Voices</p>			<p>-Education begins before birth during the prenatal period – More education in the hospital and written information on resources for families with regard to ECI programs and diagnostic centers for babies that do not pass to be given at discharge. 1) Prenatal checklist -brief checklist on what to expect (screening results, follow up) 2) Handout for discharge with result information, steps to do next, ECI programs in area, and diagnostic checks. 3) Inform medical homes of TEHDI access – checking results and follow up information.</p>

<p>Activity to implement during the next year – --Establish a collaborative Statewide EHDI campaign & related initiatives for professionals and families <i>-Link awareness to Code Red program on a regional level</i> <i>-Identify hospitals that would host parent workshops</i> <i>-Partner with ECI and parent mentors</i> <i>-Use video links to broadcast to other hospitals</i> <i>-Partner with Public Health Director by county to raise awareness.</i></p> <p><u>Linked to the Goal/Objective of your EDHI Program's plan –</u></p>
