

19TH ANNUAL EARLY HEARING DETECTION & INTERVENTION MEETING
MARCH 8-10, 2020 • KANSAS CITY, MO

Call for Nominations

ANTONIA BRANCIA MAXON AWARD FOR EHDI EXCELLENCE

Nominations are invited for the **Antonia Brancia Maxon Award for EHDI Excellence** to be presented at the 2020 National EHDI Meeting in Kansas City, Missouri. This award honors the life and work of Dr. Antonia Brancia Maxon to promote effective Early Hearing Detection and Intervention (EHDI) programs for all newborns, infants, and young children. Dr. Maxon was a pioneer in EHDI programs, beginning with her leadership in the Rhode Island Hearing Assessment Project in the late 1980's. She was one of the first to recognize the feasibility and value of universal newborn hearing screening and was a tireless advocate for connecting screening programs with timely and appropriate diagnosis and early intervention.

Her extensive contributions to creating excellent EHDI programs were abruptly ended by a tragic automobile accident in May of 2007. In memory of her contributions, an **Award for EHDI Excellence** is presented each year at the National EHDI Meeting to honor an individual who has made outstanding contributions to achieving excellence in EHDI programs nationally or in a particular state or region.

Nominations for the **Antonia Brancia Maxon Award for EHDI Excellence** should be emailed to Karl White at karl.white@usu.edu, or mailed to:

National Center for Hearing Assessment and Management
